

PROJECT REPORT

1. INTRODUCTION:

1.1 OVERVIEW

EduConnect is an integrated platform connecting different groups like the schools, colleges, students and organizations in the education ecosystem, in other words, the service providers and consumers of education with each other. We work with a mission to support India attain its education goals in terms of quality, technology, skill development and innovation, and revolutionize the way India learns, works and lives.

We are a pioneer in bringing the two ends together for networking and exchange of ideas ensuring seamless flow of information about best possible ways education can be imparted in india

1.2 purpose

Learning center are student centered, engaging activities which are also self-checking and self- selecting. The activities are used to focus on a set of skills and deepen the students' knowledge and abilities in that area. Students can work alone, in pairs, or in small groups.

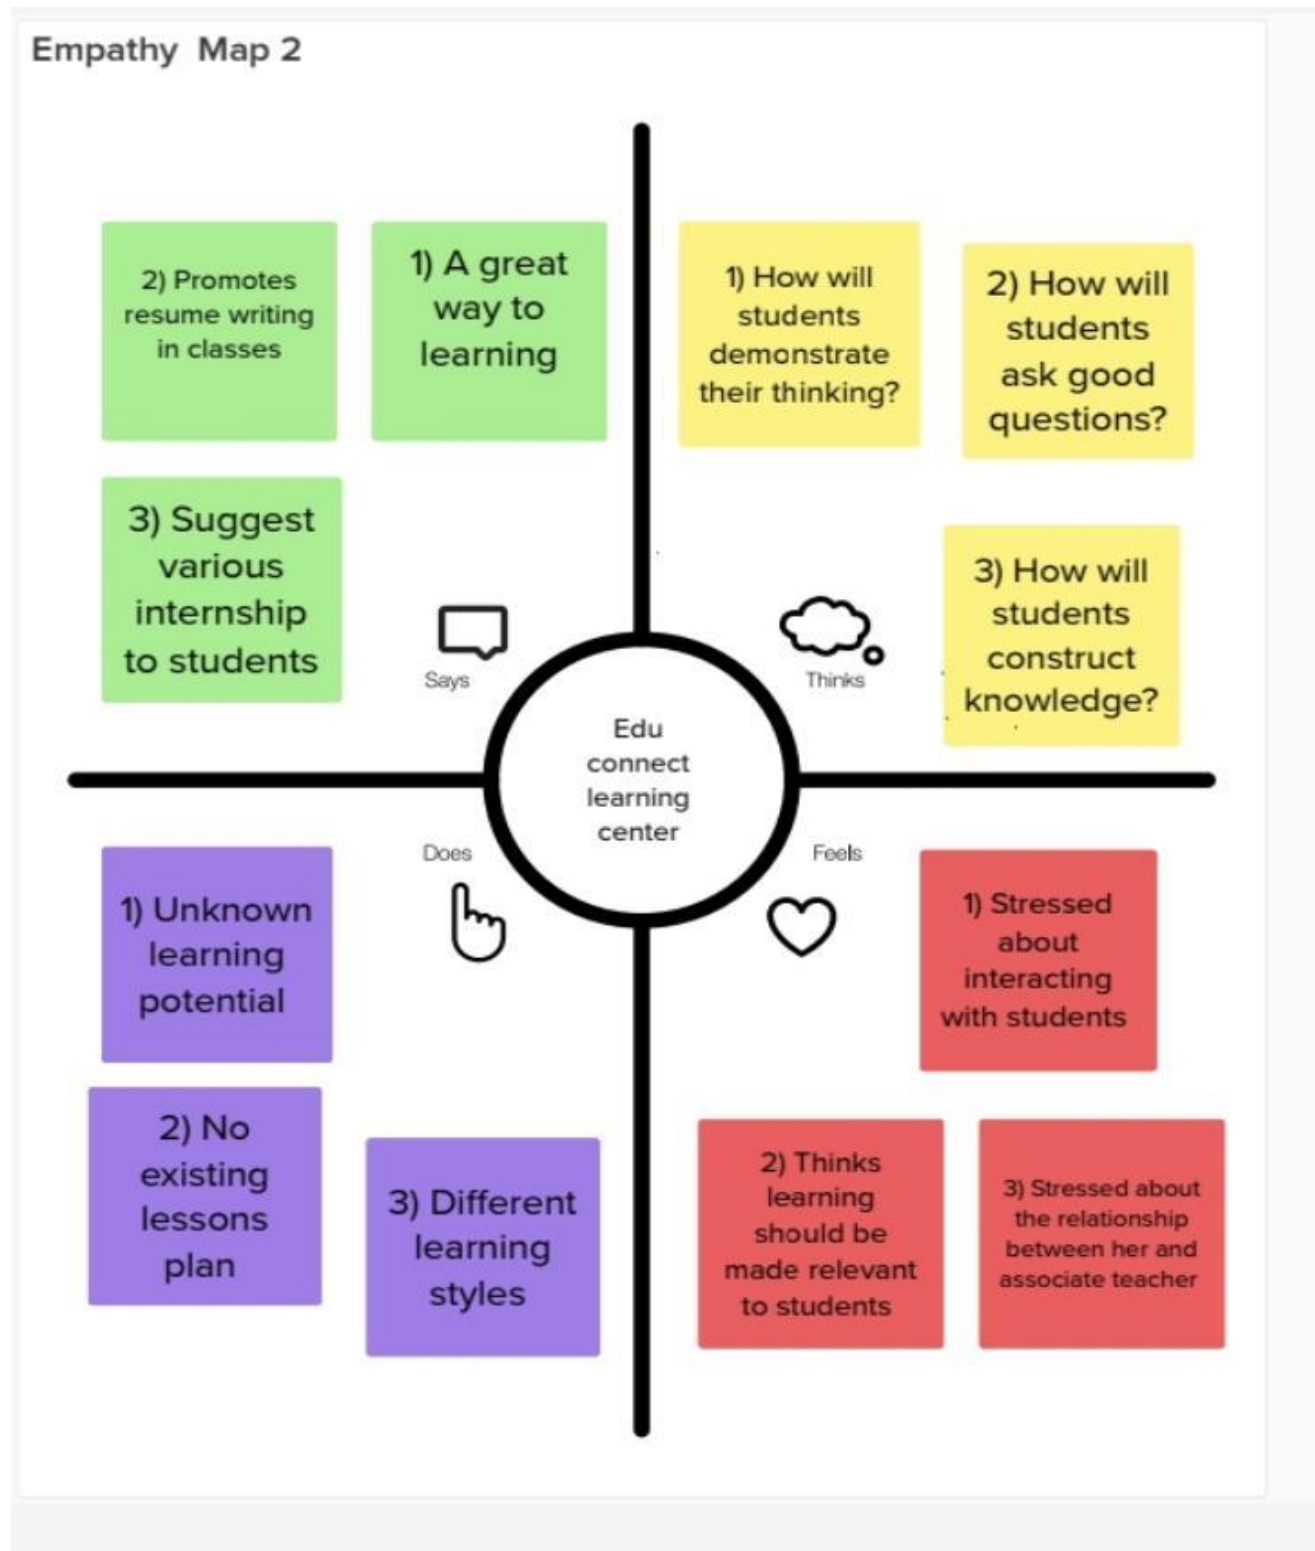

1. A great way to learn

Advantages :

- a) It is useful for student**
- b) It is learn everything**
- c) It is improve our knowledge**

Disadvantages:

- a) Lack of experience**
- b) Requires technological**
- c) Resistance to change**

5 .APPLICATIONS

Educonnect is not bound by any teaching space or learning hours. Learners ...

MEDIA APP This is accessible to any Smartphone with Media App running on learning type

6 .CONCLUSION

It is a Doorway to success which requires hard work, dedication and more after which can you open it successfully. All of these things together will make you successful in life. In conclusion, education makes you a better person and teaches you various skills.

7.FUTURE SCOPE

Education has certainly come a long way in India, thanks to the advent of technology. Digital learning has become all the more important in the face of the pandemic that continues to wreak havoc worldwide. With schools, colleges, and other learning institutions closed for the foreseeable future (or at least till the situation improves), e-learning is the only way.
